Job

Broadway Malyan is a global architecture, urbanism and design practice dedicated to creating cities, buildings and places that will provide a lasting legacy. Through a shared design ethos, we work together to create places with a strong sense of identity where people and communities want to live, learn, shop, work and relax.

We're seeking a Senior Architect. This is a great opportunity to join a global architectural and urbanism practice based in Madrid with ambitious growth plans for the future.

We believe that rigorous placemaking-led design is key to maximising the economic and social value of our projects from a city district, building or park to an individual home or interior space. The places we design are people focused with strong sense of place that stimulates our deep-rooted desire to feel a sense of belonging to and connection with our environment.

Location: Madrid

Jorge Ponce
Practice Principal, Broadway Malyan
